## Summary

Go developer with over one and half year of experience and a passion for clean, efficient code. Recognized for skills in data structures, software architecture, and system design. Eager to join a team of experienced developers and help build world-class software products.

## Experience

### Global Performance Index, Junior Golang Developer

April' 22 – Current

- Developed and maintained Golang microservices for large-scale, high-throughput trading platform with 10+ developers in the team.
- Implemented RESTful APIs to connect frontend applications with backend services using Go channels and goroutines.
- Designed and implemented highly scalable solutions by leveraging concurrency primitives such as multi-threading, mutexes, etc., along with best practice like TDD (Test Driven Development).
- Participated in peer programming and ensured that all code adhere to company's coding standards & guidelines.
- Used tools such as Git, Jira, Slack for version control, bug tracking and communication respectively.

### Decagon HQ Junior Golang Developer

May' 21 – Apr' 22

- Worked with a team of ten developers to create an API for the company's multi-vendor Ecommerce platform.
- Created unit tests, and mock tests using GO for all new code submissions.
- Improved existing RESTful APIs by adding more functionality and error handling capabilities.
- Collaborated with other Golang developers on open source projects in Github repositories.
- Implemented security features such as OAuth 2 authentication and password encryption mechanisms.
- Supervised a team of five in order to successfully build the server and client side of a single vendor E-commerce web application.
- Built and a tertiary institute application using Go partial object oriented programming property.
- Worked with a team using the Agile and Scrum methodology for software engineering management.
- Deployed web application client-side using Vercel and server-side using Heroku.

### Construction Supervisor at Royal HaskoningDHV

Feb'18 – Apr' 21

- Worked with a team of experts to supervise the construction process of the great wall of Lagos, Eko Atlantic City Revetment and managed work with the contractors to ensure optimal productivity.
- Supervised the production and placing of five tonnes Accropode into the sea. Ensured quality supervision for unreachable areas by using a drone aircraft.

+github.com/Durotimicodes | https://compassionate-montalcini-7b1dda.netlify.app/

- Eliminated project lags by inspecting work-in-progress, tracking lead times and testing work to ensure compliance and top-quality control.

## Chicossile Construction Nig. LTD, Assistant Structural Engineer Sept'17 - Dec'17

- Was part of a team responsible for creating designs for prominent projects in Lekki Oral Estate, Nigeria.
- Interpreted drawings, prepared reports, designs and drawings.
- Designed and detailed medium-rise building with the aid of AutoCAD 2D, Revit Structures, Autodesk Robot and excel spreadsheet.

## Education

### University of Lagos, Akoka, Yaba — MSC & BSC

<b>Second Class Upper</b>	Bachelor of Science, Civil and Environmental Engineering, Nigeria	<b>DEC'10 - JAN'15</b>
<b>Distinction</b>	Master of Science, Structural Engineering, Nigeria.	<b>APR'19 - NOV'21</b>

## Leadership Roles & Software Engineering Certifications

- 2014-Vice President Civil & Environmental Engineering Department, Unilag.
- 2015-Chairman Nigeria Society of Civil Engineers, Unilag.
- 2017-Public Relations Officer NYSC Community Development Service.
- 2021- Class Governor MSc Structural Engineering
- 2022-Team-Lead E-Commerce Application at Decagon Software Institute.
- Scrum Fundamentals Certified Granted January 14, 2022, Certificate ID : 893022
- 2014 -Web Development Eckomyke Academy – Upper Credit

## Skills

**Industry Knowledge:** Go Lang, JavaScript, ReactJS, html5 , css

**Technical Skills:** MYSQL, PostgreSQL, MongoDB, Clockify/Microsoft Todo, Agile Methodology, Gin Gonic, Go Chi Router, gRPC, Docker, Gorm, Git, Unit testing.

**Soft Skills:** leadership, Problem Solving, Attention to Details, Communication, Teamwork, Self-starter, Self-motivated, resilient, high perseverance.
